

## Season Ticket Early Renewal 2019/20

Please follow the link provided on our website, this will take you straight to the sales page.

Click on “Tickets”. This will open up a new window where you will need to enter your access code.

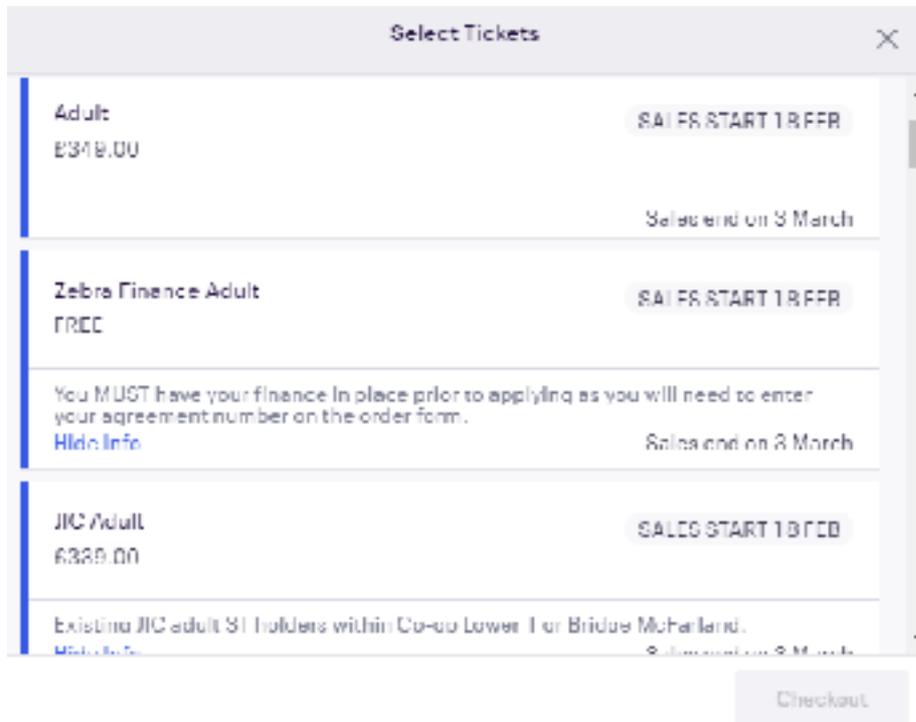

Your access code is your 2018/19 season ticket number. This is printed on your season ticket card, which can be found in your Eventbrite account and on your season ticket order confirmation email. It is a nine digit number starting with 7 or 8.

It is imperative that you enter your access code correctly! Your code is specific to YOUR individual seat so if you enter the wrong code you could inadvertently be paying for a different seat and risk your seat being released.

Once you have entered your code, click “Apply Code”.

You will now have the main screen which shows every variation of ticket type available. Please ensure that you scroll down and view the entire list BEFORE you select a ticket. This will ensure that you select the correct ticket type. You will notice that there are several variations of the same ticket

The Adult is for a full price adult. You can also select this option if you are renewing as part of a Family Season Ticket.

Zebra Finance Adult- this option is for those funding via Zebra finance ONLY.

JIC Adult- Existing JIC adults can renew by selecting this option.

Zebra Finance JIC Adult – this option is for existing JIC adults funding via Zebra finance ONLY.

### **Important points to remember when selecting your ticket**

- Family season tickets are available on a 1:1 ratio. This means only one family junior for each full paying Adult/60+/18-21 and must be next to each other. For example, you cannot have the adult in Co-op Upper 3 and the family junior in Co-op Upper 7.
- JIC season tickets are only available within Co-op lower 1 and Bridge McFarland and to existing JIC season ticket holders. Each JIC Adult/60+/18-21 must have at least one JIC junior. However, a maximum of four juniors can be connected.
- Anyone funding their season ticket via Zebra Finance must have their finance in place prior to renewing their season ticket online. Once you have your funding in place, you will need to enter your Zebra Finance Agreement Number on the order form. Funds must be received by 23:59 on the 4<sup>th</sup> March 2019 or your order will be cancelled

Once you have selected your ticket, please click on “Checkout”

You will then need to complete the order form in full
